### **Voluntary APE pension: signature of the Decree**

On September 4th, 2017, the President of the Council of Minister has signed the Decree on voluntary APE pension, which will allow, for the period between May 1st, 2017, and December 31st. 2018, employees close to obtaining requisites for old-age pension to request a loan upon accrued pension.

This measure is destined to subjects:

- at least 63 years old and close to obtaining the right to old-age pension (within no more than 3 years and 7 months);
- with at least 20 years of paid pension contribution;
- whose initial pension is equal or higher than 1.4 times the minimum treatment provided by the national mandatory pension insurance;
- who are not already recipients of a direct pension treatment.

---

### **Solidarity fund for the air transport sector – INPS instructions**

INPS, with message no. 3560 of September 15th, 2017, provides instructions for the payment of solidarity treatment in addition to CIGS salary integration, pursuant to Ministerial Decree no. 95269/2016, to be paid by the Solidarity Fund for the Aerial Transport and Airport System.

Since such payment is in addition to CIGS, acceptance of the request requires proof of existence of the related CIGS salary integration treatment.

Once the payment has been granted, the company may submit requests for the authorized periods.

---

### **Unemployment in the building sector: request possible for employees dismissed within June 30th, 2017**

INPS has provided clarifications upon the special unemployment treatment for the construction sector, abolished from January 1st, 2017. INPS clarifies that said treatment may still be requested by employees dismissed in the 1st semester of 2017 (within June 30th, 2017), as long as the status of grave company crisis, root cause of the termination of employment, came into being within December 31st, 2016.
