**Re-employment agreement and fruition of the re-employment check in advance**

*Circular message 20 June 2018, no. 37*

With a joint circular message written together with the Ministry of Labor, ANPAL offered clarifications upon the re-employment check, that will allow employees involved in CIGS salary integration due to company reorganization or crisis to request the payment in advance of the re-employment check. Said amount may be spent by employees with employment centers or other authorized services.
